JOHN HAGAN YOUTH TRIALS ACADEMY

Johnny Hagan has set up the first ever youth trials academy in Northern Ireland, for the benefit of riders eligible to ride Youth Grades A and B.

Our plan at the **John Hagan Youth Trials Academy** is to provide structured coaching and training days to encourage and develop ability and confidence in our youth riders.

- The Academy plans initially to run 6 coaching/training events throughout the incoming season at a minimum cost to participating parents.
- Providing a minimum of 6 adult past and present Grade A or Grade B trainers at each event. **With surprise guests planned throughout the season.** (watch this space).
- All Youth separated into 6 groups (various grades) over 6 sections
- 30 minutes with each trainer then move on new trainer and new section.
- Mini trial to finish. Time to show off.
- Each Rider will be set achievable goals **with special end of season awards** for those who achieve and show best improvement. (Not necessarily the best riders)
