

PRESS INFORMATION

AUTUMN OPEN TRIAL

The off road motor cycle section of the Mid Antrim Motor Club Ltd will be promoting the next round of the Ulster Junior Trials Championship at their Autumn Open trial on Saturday 19th September 2009 starting at 11-00 am. The trial will be held at Shillanavogy which is at the back of Slemish Mountain. The route will be signposted from Broughshane

This trial has normally been promoted as just a junior event but this year the committee has decided to run it as an open event for all grades but only championship points going to the junior grades.

The senior Ulster championship round will take place at our Slemish Cup trial on the 31st October. Clerk of the Course, Willie Dickey and his hardy band of course markers will no doubt be marking a suitably challenging but enjoyable course for the competitors

This is the 3rd round of the **Michelin – Mid Antrim Club Championship 2009**. The championship standings after the first two rounds are available on our website.

The trophies for this event are being sponsored by our club chairman Jimmy Dickey. The club are indebted to Jimmy for this generous donation.

Regulations and entry forms are available on the usual web sites including our own or from the event secretary Laura Dickey.

All event details are available on our website:

WWW.mamc-bikes.co.uk

The site contains all the club details and information about events. Competitors can download entry forms for the event from the site and full event details are also available.
