Any Rider or person with an interest in a Rider's performance who refuses to obey the instructions of the Observer, or who behaves in a disorderly manner shall be shown the Yellow Card. The Observer shall take a note of the incident to be passed to the Clerk of the Course (COC). The rider must report to the COC when finished.

The Stewards of the Meeting will study and record the incident for possible disciplinary action.

Action:            One Yellow Card will result in 20 marks added to score.

                      Two Yellow Cards received at one event – Disqualification

### **Encouragement of Beginners**

It has become increasingly obvious that quite a few newcomers "drop out" after a short time. Concerned at this loss of potential talent the Trials Committee has been considering how the problem might be solved. In the knowledge that newcomers may find the actual duration of an event too physically demanding the Committee puts forward the following suggestions to organising Clubs :-

- (1) Introduce a new subgroup within Grade D & refer to it as (Seniors/Beginners). Riders in this Grade would only be required to complete one lap less than the rest of the entry. To take advantage of this easement competitors would have to declare their intention on the entry form & understand that they could not gain any championship points;
- (2) Any absolute beginner who considers the adult course too demanding may be offered the option of using the Junior C&D in order to gain experience again of course without gaining any championship points.
