

Motorcycle Union of Ireland

Trial Commission

Dear All,

we hope everyone has been keeping safe and well throughout the past few months. We wish to update you on the current position of what we have decided upon and what we can do regarding the immediate future.

Following a Trial Commission meeting held on 26.06.20 it was decided that the 2019/2020 National Championship is now completed for all classes. All results of the 6 rounds previously held will count towards the final standings and no further events will be organised. This is subject to the Trial Registrar confirming all riders / points are in order.

The Commission are now concentrating their efforts, working with and in consideration of both Centre's plus the respective Government's 'Return to Sport' guidelines in relation to Covid 19. We currently hope to start the 2020/2021 season in September as planned. As you can all appreciate certain changes and restriction will have to be implemented and adhered too. The Commission is already discussing their options and best way forward and will issue a document to all Clubs through their respective Centre's. The commission will continue to monitor the changing conditions and endeavour to adapt, to get up and running as soon as possible.

Yours in Sport,

David Rodgers
