

Motorcycle Union of Ireland

Trial Commission

It is with deep regret and sadness that we learn of the tragic loss of David Andrews. David was a competitor, active club member and great supporter of our events for many years.

The Trial Commission wish to extend their condolences to David's family at this sad time and in particular his son Gareth. Many of you will know Gareth more affectionately as the 'Bull'. He has competed at the highest level both at National and International events, having represented the MCUI as a member of Team Ireland on many occasions.

Our thoughts and prayers are with you all.

Yours Sincerely,

David Rodgers
